

ENDURANCE RACE PACKAGE

(Between 5 – 12 teams, each team can consist of 1 – 5 people)

Our Endurance races have been designed for teams, families or colleagues whilst also enjoying a social day or evening in our amusement arcade, lounge bar and viewing area. We have made a number of different timed events available for the endurance races so that there will hopefully be one to suit your needs. This package is available for booking in advance or just on arrival (depending on availability). All of the endurance races are time based, with between 5 – 12 teams of people and each team can consist of 1 – 5 people. It will be down to you & your teammates to determine when to change drivers out on the track, whether you want to bring them in due to them producing slower lap times or whether you want to change at equal intervals. (This will need to be decided before the race commences). The winning team is the team that completes the most laps in the given time.

Included in each Event:

- Free one year's membership (includes admission to lounge bar, amusements and viewing gallery)
- Free Personal accident insurance for the whole day.
- Race suits, Disposable balaclava, Race gloves, Crash helmet (can bring your own).
- Safety Briefing.
- 2 Practise Laps per driver in the event.
- Qualification Session.
- In all of our events the winning team will be rewarded with a bottle of Bubbly and winners medals.
